

Dancing with Class – All-Stars Foundation

Providing advanced dance training to talented Chicago youth.

Your tax-deductible contribution to **Fractured Atlas**, fiscal sponsor of the Dancing with Class All-Stars Foundation, will enable talented Chicago middle school students to continue with advanced dance training and performance opportunities. Students are selected for participation in the program based on talent and need.

Your donation will help cover the cost of professional dance training for the foundation’s students in addition to covering costs related to performing and competing, such as costumes, event entry fees, etc.
